LB 189-192

PRESIDENT: The question is the adoption of LR 2. Record your vote. Have you all voted? Have you all voted? Record.

CLERK: 31 ayes, 0 nays, 5 present and not voting, 13 absent and not voting.

PRESIDENT: The resolution is adopted. Do we have further resolutions?

CLERK: None, Mr. President.

PRESIDENT: Do we have additional bills to introduce?

CLERK: Yes.

PRESIDENT: If you have anymore bills please get them up here. Adjournment is not far away, so if you have any further bills, please deposit them with the Clerk.

CLERK: Read title to LB 189, 190, 191 and 192. Mr. President, your Committee on Miscellaneous Subjects gives notice that a series of bills have been set for hearing. Signed, Senator Dworak, Chairman.

PRESIDENT: The Speaker asked me to announce that if there are those of you who are waiting on bills to be delivered to you for introduction, we could stand at ease because we've completed our agenda for the morning. The morning is pretty much gone. Are there those of you who are waiting for bills to be delivered for introduction? Alright. We will stand at ease then. Senator Bereuter and Senator Shirley Marsh, it is your understanding they are to be delivered this morning? Alright. Senator Warner.

SENATOR WARNER: Mr. President, just an announcement again. I think I failed to indicate those scheduled briefings that I had talked about earlier would be held in Room 1003, downstairs. I failed to put that on. In addition, those members of the Legislature that the dates or times suggested are not convenient, if any of you wish to contact the Budget Office anytime after lunch to make arrangements for your own time, including today, you could do so.

PRESIDENT: Senator Simon has some guests in the North balcony. Richard Brown is the instructor for the 60 Millard Senior High School students. Thank you for coming. It doesn't look like 60 from here, but the roads were bad. Thank you for coming. We appreciate all groups, but particularly school groups.

AT EASE

PRESIDENT: Senator Marsh and Senator Bereuter, the Bill Drafters Office has advised the Clerk that they have nothing ready to come down. So it would serve no legitimate purpose for us to stand at ease.

CLERK: Mr. President, a report of the Executive Board of the Legislative Council. (Read report found on page 159 of the Journal). Mr. President, we have a new bill.

PRESIDENT: Please read the new bill.
